Play with me,  
run with me,  
have a little fun with me  
Get the hose and make mud with me  
Show me the scabs on both your knees

Climb on me  
Tickle me  
Play with me  
Run with me

Dance with me  
Sing with me  
Have a little fun with me

Stare at each other  
Till we start laughing  
Splash me in the deep blue see  
Pick some plums off the old the plum tree  
Dance with me  
Sing with me

We've got all day  
What do you wanna do? Play.

Just you  
And me  
There's nowhere else I'd rather be here with  
Havin' fun  
Making faces- said I love you

play with me  
run with me  
have a little fun with me  
stay out late and watch stars with me  
camp out in the backyard with me  
wake up for pancakes and blueberries  
you'll have coco, I'll have tea

brand new day, its still early  
so, play with me

run with me  
play with me  
run with me  
play with me  
run with me  
have a little fun with me
