One thread, we hang
Swinging, dangling
It breaks, we fall
Bye bye, that's all

A balance fine
A sweep of time

Nighting as the day ends
Take it slow as we can
You never know, it might be
The last sunset we'll ever see

And all I possess
Blows away in this wind
And as I came in
So I'm leaving

Unadorned
As I was born

Nighting as the day ends
Take it slow as we can
You never know, it might be
The last sunset we'll ever see

Bleary eyed kids
We won't come in

Nighting as the day ends
Take it slow as we can
You never know, it might be
The last sunset we'll ever see
Nighting as the day ends
Take it slow as we can
You never know, it might be
The last sunset we'll ever see
The last sunset we'll ever see
