If I'd been dreaming  
Wouldn't you just wake me  
Senseless sleeping  
You were always waiting

Doubt come slowly  
It surely overtakes me  
Am I among the lonely  
You were always waiting

Is it falling apart  
Should I believe  
You could be thinking that about me  
Is this your faith  
Is this your trust  
Have you just given up

All our friends are retreating  
Dreaming of escaping  
Oh, hurry up they're leaving  
You were always waiting

Is it falling apart  
Should I believe  
You could be thinking that about me  
Is this your faith  
Is this your trust  
Have you just given up on me  
Have you just give up

We've all been here before  
I'm sure you wanted more  
I'm sure I could have given it  
And whatever your intention was  
We made it this far because  
You were always waiting, waiting

Well I'd like to think I'd help you  
If you needed saving  
But I'm drowning here, not waving  
And still you're only waiting

It it falling apart  
Should I believe  
You could be thinking that about me  
Is this your faith  
Is this your trust  
Have you just given up on me  
Have you just given up  
Have you just given up on me  
Have you just given up  
Given up

You were always waiting
