Your story's sad to tell, a teenage ne'er-do-well
Most mixed up non-delinquent on the block
Your future's so unclear now, what's left of your career
now

Can't even get a trade-in on your smock
Beauty school drop-out, no graduation day for you
Beauty school drop-out, missed your midterms and
flunked shampoo

Well at least you could have taken time to wash and
clean your clothes up

After spending all that dough to have the doctor fix
your nose up

Baby get moving (better get moving), why keep your
feeble hopes alive

What are you proving (what are you proving)?

You've got the dream, but not the drive

If you go for your diploma, you could join a steno pool

Turn in your teasin' comb and go back to highschool
Beauty school drop-out, hangin' around the corner
store

Beauty school drop-out, it's about time you knew the
score

Well they couldn't teach you anything, you think you're
such a looker

But no customer would go to you, unless she was a
hooker

Baby don't sweat it (don't sweat it), you're not cut out to
hold the job

Better forget it (forget it), who wants their hair done by
a slob

Now your bangs are curled, your lashes twirled, and
still the world is cruel

Wipe off that angel face and go back to highschool

Baby don't blow it, don't put my good advice to shame

Baby you know it, even Dear Abby's say the same

Now I've called the shot, get off the pot, I really gotta
fly

Gotta be goin' to that maltshop in the sky

Beauty school drop-out, go back to highschool

Beauty school drop-out, go back to highschool

Beauty school drop-out, go back to highschool
