The heat is on
on the street
inside your head on ev'ry beat.
And the beat's alive
deep inside
the pressure's high

Just to stay alive
'cos the heat is on.
Oho
oho
caught up in the action

I'll be looking out for you.
Oho
oho
tell me can you feel it
tell me can you feel it

Tell me can you feel it? The heat is on

the heat is on
the heat is on

It's on the street
the heat is on.

Oho
oho
call me in the action
I am looking after you

Oho
oho
tell me can you feel it
tell me can you feel it

Tell me do you feel it? The heat is on
The heat is on
the heat is on
buniin'
burnin'

burnin'

It's on the street
the heat is on.

The shadow's high on the darker side

behind the doors
it's a wilder ride.

You can make a breath
you can win or lose.

Well

that's a chance you take when the heat's on you

when the heat is on.

Oho

oho

caught up in the action

I'll be looking out for you

. . .

I can feel the fire - the heat is on -

Flames are burning higher - the heat is on -

Baby

can't you feel it? It's on the street.

The heat is on - I can feel the fire - the heat is on.
