When the sky was burnin' red
When the mountains crumble and fall
And I was outta my head
That's when I heard you call

I can feel a change in the weather
I put my feet on the ground
I had to pull myself together
I'm gonna tell you what I found

Better man I know
I'm a better man
Better than before, baby
Won't you let me go?
And let the river flow, yeah

When the sea did cover the land
And you did not believe in fate
Came to me and gave me your hand
Only a fool would hesitate

Now you can tell me brother
'Cuz I've been away too long
There's one way or another
'Cuz I never felt so strong

Better man I know
I'm a better man
Better than before
Won't you let me go
And let the river flow

So walk with me my friend

'Cuz I want you to see
And I cannot pretend
'Cuz I just gotta be

I can feel a change in the weather
I'm gonna tell you what I found

Better man I know

I'm a better man
Better than before
Won't you let me go?
And let the river flow

Better man I know
Search a better man
Better than before
Won't you let me go?
And let the river flow

Let it flow, yeah, yeah
I'm a better man, yes I am
Yeah, baby, baby, baby
Why don't you let me go?
Let me go, yeah

Better man, better man
Better man, better man
Better man, better man
Better man, better man

Oh, now now
Better man, better man
Better man, better man
Better man, better man
Better man, better man
Better man, better man
