"Big Sky"

You're packing your suitcase
You're closing the door
Move on to a new place
Won't see you no more

And the tears fall
From heaven again
I will miss you my old friend

Headed for big sky
Headed for big sky
Headed for big sky

Swim with the dolphins
Down in the bay
Out in the sunlight
It's a beautiful day

And we look through
Kaleidoscope eyes

In the sunrise

Headed for big sky
Headed for big sky
Headed for big sky

Later that morning
I stood by your bed
I'll meet you in Venice
That's what you said

And it looks like
Blue skies ahead
So goodbye, my friend

Headed for big sky
Headed for big sky
Headed for big sky

Headed for big sky
Headed for big sky
