When night time comes
And I'm 10,000 miles away
Just lose yourself
And watch the band kick back
And play

Get up - keep in line
It's gettin' tighter all the time
You say you're feelin' fine
It's gettin' tighter all the time

Get a load off your mind
This place is right
It's hard to find

The mood is set alright
It's gonna be a long, long night
You keep on spinning 'round
You find it hard to touch the ground
And time is all it takes
You'll find it easy once you make

Get up - keep in line
It's getting' tighter all the time

Gettin' tighter
Gettin' tighter
