Why have you been so complicated
You took a hold on me
I've never been so aggravated
Won't you listen carefully?

You paint a tragedy, confess yourself to me
And I will take it to my grave
Your last mistake you see
You're damned and now I'm free
Because I'm not your slave

Why do you push me into the shadows?
Why do you bear no shame?
How can you tell me that nothin' else matters
When you don't even know my name?

You paint a tragedy, confess yourself to me
And I will take it to my grave
Your last mistake you see
You're damned and now I'm free

Because I'm not your slave

I'm not your slave
I'm not your slave

Yeah, yeah, yeah, yeah
Not your slave

Oh, you paint a tragedy, confess yourself to me
And I will take it to my grave
Your last mistake you see
You're damned and now I'm free
Because I'm not your slave

You paint a tragedy, confess yourself to me
And I will take it to my grave
Your last mistake you see
You're damned and now I'm free
Because I'm not your slave

I'm not your, I'm not your slave

I'm not, I'm not your slave, oh, slave
