I've been travellin' for so
Many days
Thru' the valleys I have gone
I've been searchin' in so many
Ways
For the things that I have
Done

Now I ask you - do you love me
And don't tell me any lies

Chorus:

I will keep on ridin' in the
Early morning light
'til they lay my body down

Behind the conscience of every
Man
Is a thing we all must trust
As I look across the land
I see shadows in the dust

So how can you judge me
When you don't know me
I know you'll miss me when i'm
Dead and gone

I will keep on ridin' in the
Early morning light
'til they lay my body down

So close your eyes and you
Will find me
I'll be watching over you
I will be with you, you'll feel
My spirit
I know your faith will put you
Thru'

Now, I ask you - do you love
Me...
