Do you know how I feel?
Can you feel it?
I'm talkin? to you

I'm feelin? down and some kind of lovin?
'Cause my baby done left me here
Heart is blazin? like a five alarm fire
And I don't even give a care

I feel like the world has turned on me
My dreams turned to ashes right in front of my face
I'm gettin? kind of worried
And I feel so upset

Maybe your baby done made some other plans
([Incomprehensible])
Maybe your baby done made some other plans
(I feel like cryin?)

In the mornin? when I get a heartache
I can't call up the doctor for help
'Cause the only person that could ever do me any good
Is sleepin? out with my best friend

I feel like I'm slippin? deeper
Slippin? deeper into my shell
And I just can't take it
This stuff is scarin? me to death

Maybe your baby done made some other plans
(I could tell it myself)
Maybe your baby done made some other plans
(I feel like cryin?)

Baby's out of work, sittin? in the circle
Checkin? out the guys that are passin? by
By, by, by, by, by

Maybe your baby done made some other plans
Maybe your baby done made some other plans
(No other man can love you like I can)

Maybe your baby done made some other plans
([Incomprehensible])
Maybe your baby done made some other plans
(Can you feel it?)

I got plans for you baby
Some of the things people tell me to do it
I just can't take it any more
You know I don't want any trouble
Now I ask myself
Do you want me baby?
Do you want me baby?
