I've been walkin' in these shoes  
Now I just want to bring you the news  
I feel the karma comin' on  
And I don't want to be here alone

I am from another world  
Connected to the wire

Communication, I spill the wheel  
But you just want to know if I'm real!  
I feel the goodness, cut like a knife  
That's how I'm gonna live my life

And I don't know I might have been  
A victim of denial

Do you receive the stone  
From your master?  
Do you believe, in life neverafter?

I'm not the same boy I used to be  
Now there lives a man inside of me  
Great expectations burn deep within  
And I just want to see you again

And I cry to be strong  
I can tell something's wrong  
I've been here all along
