I don't know where I'm goin?
But I know where I've been
They say love conquers all
So please let me in, oh yeah

You say that you want me
Till the end of time

I know I've been wrong
Let me be right, I'll be waiting
Now I'm on my way
Save me tonight, I'll be waiting

Just a little bit of faith
And a whole lot of trust
In a world filled with peace
That belongs to us

And you know, I would die for you
When you know, it's the truth
So why don't you give yourself to me?

I know I've been wrong
Let me be right, I'll be waiting

Now I'm on my way
Save me tonight, I'll be waiting

And it really doesn't matter
And I know that you'll see
But with your hope and your faith and destiny
Save me

I know I've been wrong
Let me be right, I'll be waiting
Now I'm on my way
Save me tonight, I'll be waiting

I know I've been wrong
Let me be right, I'll be waiting
Now I'm on my way
Save me tonight, I'll be waiting

I know I've been wrong
Let me be right, I'll be waiting
Now I'm on my way
Save me tonight, I'll be waiting
