In the coldness of love's sweet illusion
There's a sadness that stands in my way
There's a note that I left in the hallway
Tellin' you that I could never stay

You never wanted me, I'm outta time
Now, I've got nothin' to say

I don't wanna talk about it
I don't even hear a word you say
I don't wanna talk about it
I just turn my back and walk away

I'm the kind that lives with emotion
Now, do I have to live on my own?
I would cross every mountain and ocean
Tell me why has your heart turned to stone?

You never wanted me, I'm outta time

Now, I've got nothin' to say

I don't wanna talk about it
I don't even hear a word you say
I don't wanna talk about it
I just turn my back and walk away

I don't wanna talk about it
I don't even hear a word you say
I don't wanna talk about it
I just turn my back and walk away

Ohh, I don't wanna talk
I don't wanna talk, ohh, yeah
Ohh, ooh, I don't wanna talk
Turn back, turn away

I don't wanna talk
[Incomprehensible]
Walk my way
I don't wanna talk

You can believe
You can make
I don't wanna talk
