Ho...  
Mmm...hmm...hmm...hmm...hmm...  
Yeah...yeah...  
It's never too late  
Don't wait 'fore we lose it all  
(Hoo...hoo...ooh...ooh...)  
It's never too late (Yeah)  
Don't wait 'fore we lose it all (Oh,  
Na-na-na-na-na-na-na)  
Yesterday don't seem so far away  
Used to just kick it, you and me, how in love we used  
To be  
Still remember how it was holdin' your hand  
Makin' future plans  
So happy were we that things are changin' over the  
Time  
Sadly we drifted away with hopes that you'd come back  
Someday  
We'd stay cool, me and you, talk on the phone once in  
Awhile now and again  
Found yourself a new friend, thinkin' this might be  
The end  
It's never too late (It's never)  
Don't wait (Yeah) 'fore we lose it all (You're my  
Love, the only one I'm thinkin' of)  
It's never too late  
Don't wait 'fore we lose it all (Oh, don't think twice  
And let this love pass you by)  
It's never too late (Ah...)  
Don't wait 'fore we lose it all (My missin' part,  
Baby, finish what you started)  
It's never too late (Never)  
Don't wait 'fore we lose it all (And any chance to be,  
Don't take that away from me, no)  
Girl, you've become a part of me and I can't see how I  
Could ever be  
Without you next to me or you part of my life  
Completely  
You are precious to me by far, you have my heart  
You are my star, my shinin' star, the biggest love,  
That's for sure  
Girl, it's plain to see what you mean to me

Still in love with you, want you to be my Boo  
What we gon' have to do  
It's never too late  
Don't wait 'fore we lose it all (You're my love, the  
Only one I'm thinkin' of)  
It's never too late (It's never, never)  
Don't wait 'fore we lose it all (Oh, don't think twice  
And let this love pass you by)  
It's never too late (Never, never too late, baby)  
Don't wait 'fore we lose it all (My missin' part,  
Baby, finish what you started)  
It's never too late (It's never)  
Don't wait (Yeah, yeah) 'fore we lose it all  
(And any chance to be, don't take that away from me,  
Oh, baby, listen)  
Oh, no  
No, no  
Never too late  
No, no  
Never too late, baby, yeah, yeah, yeah...  
It's never too late  
Don't wait 'fore we lose it all (You're my love, the  
Only one I'm thinkin' of)  
It's never too late  
Don't wait 'fore we lose it all (Oh, don't think twice  
And let this love pass you by)  
It's never too late (It's never)  
Don't wait 'fore we lose it all (My missin' part,  
Baby, finish what you started)  
It's never too late (Never)  
Don't wait 'fore we lose it all (And any chance to be,  
Don't take that away from me)
