Glenn Lewis- Only Be In Love

(Chorus)

said that you just wanted to love, someone to say to
you that your lookin dove,
but when you know that you want it baby, you said you
wanted wanted to only be
in love, said that you just wanted to love, someone to
say to you that your
lookin dove, but when you know that you want it baby,
you said you wanted
wanted to only be in love

(Verse 1)

you, heard about you from my friends, i wish i could
have learned back then,
baby i can't pretend you had me wide open, had to find
out for myself, now i'm
cryin out for help, the wasted my wrong my song, that
life's a living hell,
goin you were next to me, i snuck a butterfly so pretty,
my love for you was
gauranteed, babe, cause you knew you fled, taken
me for granted so, seen that
you just don't know, then you said you act to cold, and
it was you who told

(Chorus)

said that you just wanted to love, someone to say to
you that your lookin dove,
but when you know that you want it baby, you said you
wanted wanted to only be
in love, said that you just wanted to love, someone to
say to you that your
lookin dove, but when you know that you want it baby,
you said you wanted
wanted to only be in love

(verse 2)

said i stepped from in your class, want a ni**as just for
cash, wasn't you in
net at last, you found you someone that, wanted just to

be with you, said that
you could see me through, that wasn't the one that
mean, you tell me i love
you, and when i wanna be your friend, you would never
let me in, and someone
said you holdin me did, me and other men, these could
happen these 2 years, i
just did better to be left here, you could say i love you
to my kids, woman

that aint what you wish

(Chorus)

said that you just wanted to love, someone to say to
you that your lookin dove,
but when you know that you want it baby, you said you
wanted wanted to only be
in love, said that you just wanted to love, someone to
say to you that your
lookin dove, but when you know that you want it baby,
you said you wanted
wanted to only be in love

(bridge)

(Chorus)

said that you just wanted to love, someone to say to
you that your lookin dove,
but when you know that you want it baby, you said you
wanted wanted to only be
in love, said that you just wanted to love, someone to
say to you that your
lookin dove, but when you know that you want it baby,
you said you wanted
wanted to only be in love

(Chorus)

said that you just wanted to love, someone to say to
you that your lookin dove,
but when you know that you want it baby, you said you
wanted wanted to only be
in love, said that you just wanted to love, someone to
say to you that your
lookin dove, but when you know that you want it baby,
you said you wanted
wanted to only be in love
