Look at what mess i made  
If i paid attention, maybe then you might have stayed  
Deserted you, in the middle of the night  
One to many times and askin why(askin why)  
Where did all the promises go  
Of love you had, not like you don't hear me though  
That's what she said to me  
Treated it like it was talk just something momentary

Now she's leaving from me being  
Neglecting of her heart  
How i regret it now  
And i don't know how  
I let it get this bad  
But now i wish i had the chance to tell you my baby

I'm sorry(sorry), I'm so sorry  
I didn't mean to make you cry  
Why oh why  
I wish that i had the chance before you had said bye  
bye  
I'm sorry, I'm so sorry  
I didn't mean to make you cry  
Why oh why  
Wish that i had the chance before you had said bye bye

You had first left I  
Blamed it on everything but myself  
Girlfriends talking to someone else  
Present the picture  
Doin all im supposed to do  
Gettin close to you  
Woke up from my sleep  
Cause i couldnt breathe  
From my heart being so weak  
If only my tears could speak  
They'd say, it was such a mistake  
Still i love you babe, hey babe

Now she's leaving from me being  
Neglecting of her heart  
How i regret it now

And i don't know how  
I let it get this bad  
But now i wish i had the chance to tell you my baby

I'm sorry(sorry), I'm so sorry  
I didn't mean to make you cry  
Why oh why  
I wish that i had the chance just before you said bye  
bye  
I'm sorry, I'm so sorry  
I didn't mean to make you cry  
Why oh why  
Wish that i had the chance before you had said bye bye

Tell me what im supposed to do(hey hmm)  
Now that you left me this way(hey hey)  
Friends tell you don't be talkin bout em  
Your love oh i can't do without  
Now what am i supposed to do  
Life just helplessly withers away  
Tell me if you would ever have that feeling  
Like life itself just aint have no meaning

I'm sorry(hey), I'm so sorry(sorry)  
I didn't mean to make you cry(make you cry)  
Why oh why(why oh why)  
I wish that i had the chance before you had said bye  
bye(wish that i had the  
Chance before you had said byebye)  
I'm sorry, I'm so sorry(oo yeah)  
I didn't mean to make you cry(didn't mean to make you  
cry)  
Why oh why(baby)  
Wish that i had the chance before you had said bye  
bye(so sorry, so sorry)  
Sooo,(mm's ahh's so's and hey's) So sorry, sorry, yeah
