I would never lie to you...
No matter where this world leads me to.

There is something I know is true...
The music's gonna see me through.
Cause like my roots are comin back to you...

I'll be comin back to you.
I'm gonna play that sweet... island music.
Wanna play that sweet... island music.
Gonna have my way, gonna get right down and play.
That sweet island music all day, yea.

I don't really care to be
What other people want me to be.
I found the key to my destiny
In the rhythm of my island beat.

Cause my roots are comin back to you.
I'll be comin back to you.
I'm gonna play that sweet... island music.
Wanna play that sweet... island music.
Gotta have my way, gonna get right down and play,
That sweet island music all day, yea.

Like my roots, I'm comin back to you.
I'll be comin back to you.
Gimme some of that...
Gonna play that sweet... island music.
I wanna play that sweet... island music.
I gotta have my way, gonna get right down and play,
That sweet island music all day, yea.

Sweet... island music.
Wanna play that sweet... island music.
Wanna play that sweet... island music.
Sweet, sweet, sweet... island music.

Sweet, sweet, sweet... island music.

Sweet, sweet, sweet... island music.

Sweet, sweet, sweet... island music.
