With The Stylistics

With all my heart, I pledge my love forever
You've got my word, you and I will always be together
There maybe times, we have a disagreement
This love's too strong, to ever let it come between us

I would, I would keep this love alive Oh baby
I would, I would be cause otherwise

Me minus u equals blue
Can't imagine what I ever do
If it'd ever came to
Me minus u equals blue
I can't stand the thought I've lost so far
Like so many hearts being in the dark
It'll never be me minus u

Each day I learn, a little more about you
Then I know for sure, that I'd never wanna be without
you
With all the stage of truth of this relation
Me without your love is such a sad equation baby

I would, I would keep this love alive Oh baby
I would, I would be cause otherwise

Me minus u equals blue
Can't imagine what I ever do
If it'd ever came to
Me minus u equals blue
I can't stand the thought I've lost so far
Like so many hearts being in the dark
It'll never be'Â^Â!

What we got can't get much better
I would never change a thing
Baby we're so good together
Then I'll never, never ever want it to be me

Me minus u equals blue
Me minus u equals blue

Can't imagine what I ever do
If it'd ever came to
Me minus u equals blue
I can't stand the thought I've lost so far
I want you in my life
I can't be without your love

Me minus u equals blue
Can't imagine what I ever do
If it'd ever came to
Me minus u equals blue
I can't stand the thought I've lost so far
I need you here with me
