If I had to live my life without you near me

The days would all be empty
The nights would seem so long.
With you I see forever
Oh
So clearly

I might have been in love before

But it never felt this strong.
Our dreams are young and we both know

They'll take us where we want to go.
Hold me now
Touch me now
I don't want to live without you!

Nothing's gonna change my love for you

You oughta know by now how much I love you

One thing you can be sure of:
I'll never ask for more than your love.
Nothing's gonna change my love for you

You oughta know by now how much I love you

The world may change my whole life through

But nothing's gonna change my love for you.

If the road ahead is not so easy

Our love will lead the way for us like a guiding star.
I'll be there for you if you should need me

You don't have to change a thing

I love you just the way you are.
So come with me and share the view

I'll help you see forever too.
Hold me now
Touch me now

I don't wanna live without you!

Nothing's gonna change my love for you
...

Nothing's gonna change my love for you
You

You oughta know by now how much I love
One thing you can be sure of:
I'll never ask for more than your love.

Nothing's gonna change my love for you
...
Nothing's gonna change my love for you
...
