WE'RE THAT COUPLE IN THE CASTLE
Glenn Miller
We're at Nineteen Moonbeam Terrace,
Overlooking Starlight Square,
We're the couple in the castle
Way up high in the air!
On the corner there's a cloud bank,
And we bank our millions there
We're the couple in the castle in the air.
One day a daydream came a stealing
Through the gloomy part of town.
Well, that daydream brought us way up here
And we'll never come down
Call us Lord and Lady Stardust,
Call us crazy, we don't care,
We're the couple in the castle in the air
