(vocals: Ray Eberle)

You told me it was so  
A million dreams ago  
You held me in your arms  
A million dreams ago  
So many dreams have flown  
So many nights alone  
I guess I should have known it couldn't be  
I'll lock my memories here in my heart  
And here in my heart they'll stay  
And through the years they'll always be part  
A part of the lovely day  
Goodbye, good luck old friend  
I'll smile & just pretend  
There was no end  
A million dreams ago
