(Johnny Burke/James V. Monaco)
(vocals: Ray Eberle)

April played the fiddle & my heart began to dance
And I was so surprised to find my arms around
romance
April played the fiddle & I memorized the tune
And later on a dream & I went singing to the moon
Then May began to gossip, June just winked her eye
And you should have seen the know it all expression on
July
April played the fiddle but heres the funny part
I had to pay the fiddler with my one & only heart
