(vocals: Ray Eberle)

At last my love has come along
My lonely days are over
And life is like a song
At last
The skies above are blue
My heart was wrapped in clover
The night I looked at you
I found a dream, that I can speak to
A dream that I can call my own
I found a thrill to press my cheek to
A thrill that I've never known
You smile
And then the spell was cast
And here we are in heaven
For you are mine at last
