Bands are playing
Let's go swaying
At the President's birthday ball
They'll be welcoming one and all
Happy birthday,
Best-on-Earth day
To the President FDR*
From Americans near and far

Look forward to much happier times
Look forward as we join in the grand march, the March
of Dimes**
Check your sorrow till tomorrow
For the heavens will soon be bright
And we're gonna have fun tonight
There'll be rhythm and mirth
At the president's birthday ball!

Look forward to much happier times
Look forward as we join in the grand march, the March
of Dimes**
Check your sorrow till tomorrow
For the heavens will soon be bright
And we're gonna have fun tonight
There'll be rhythm and mirth
At the president's birthday ball!
