(Dana Suesse)  
(vocals: Ray Eberle)

Blue moonlight enfolds the night  
And you are my arms delight  
Sweet are the secrets to tell  
Here in the spell of

Blue moonlight that fills the skies  
There's some of it in your eyes  
Or is it what I'm dreaming of,  
Whisper and say it's love

The world could stand still, I'd never know,  
I'm lost in the thrill of loving you so,  
Here in the glow of

Blue Moonlight that seems to shine  
Right into this heart of mine  
Tell me this heaven is true  
Tell me you love me too!
