Take it from me
I just found something to see
Oh, it's pig, it does the Boogie, yes siree
And he really gets to do it solidly
You mean he really gets to do it solidly

This little piggie went to market
This little piggie stayed home
But this little piggie was a boogie woogie piggy
And he boogie-woogied all the way home

This little piggy had roast beef
This little piggy had none
But this little piggy was a boogie woogie piggy
And he did the Lindy all the way home

Oink, oink
Piggly wiggly piggy
Oink, oink
Boogie woogie woogie
Oink, oink, oink, oink
The boogie woogie piggie wiggly oink oink

This little piggy dug two beats
This piggy thought the waltz was divine
But this little piggy was a hip little piggy
And he boogie-woogied all of the time

This little piggy dug two beats
This piggy thought the waltz divine
But this little piggy was a hip little piggy
And he boogie-woogied all of the time
This little piggy was a hip little piggy
And he boogie-woogied all of the time
