(Gus Kahn, Jerome Kern)  
(vocals: Ray Eberle & the Modernaires)

You are oh so close to me  
I hold you tenderly  
And hear you say, "I love you"  
Then I find that I'm only daydreaming  
But I don't mind if I'm only daydreaming

If dreams can bring so near to me  
The things so dear to me  
The lips that say, "I love you"

Then I know that I'll go on daydreaming  
Until my daydreams all come true

Then I know that I'll go on daydreaming  
Until my daydreams all come true  
Day dreams all come true
