(Johnny Burke, James Van Heusen)
(vocals: Ray Eberle)

We used to say our love will stay
Until the cows come home
And then the cows came home
Do you know why?

We used to say we'll love this way
Till Hades freezes over
And then it just froze over
Do you know why?

We thought we had the future dancing a jig for us
Do you suppose our little dreams got too big for us?

We used to say our love will stay
Forever and anon
And now forevers gone
Darling, do you know why?
Neither do I
