You clap your hands  
And you swing out wide  
Do the susie q  
Mix in a step or two  
Put 'em all together  
And you're doin the jive

Oh you stomp your feet  
You swing out wide  
Mess around awhile  
Shake it boogie woogie style  
Everybody's swinging when you doin the jive

If you can't play Romeo or ?  
Don't let it bother you  
Cause you'll be the King  
When the band begins to swing  
You'll be a smarty & the life of the party  
If you do bump  
And you swing out wide  
Drop a little bit  
Beat it out  
Make a fit  
Everybody's happy when you're doin the jive

It may be somethin' but it's not the jive  
It may be somethin' but it's not the jive  
Well what is the jive?  
(more spoken)

You clap your hands  
And you swing out wide  
Do the susie q  
Mix in a step or two  
Put it all all together  
And you're doin the jive

Oh you stomp your feet  
And you swing out wide

Everybody's swinging when you doin the jive

If you can't play Romeo or ?

Beat it out &  
Make a fit  
Everybody's happy when you're doin the jive
