There are 4th of Julys in both of your eyes & a Easter  
Sunday too  
'Cause every day is a holiday since the day that I found  
you  
Each heaven on earth day is like a birthday, a May day  
rendezvous  
'Cause every day is a holiday since the day that I found  
you  
They ought to hang the flags out, they ought to close  
the bank  
And though it's not November til I feel like giving  
thanks  
You're a happy new year, a movie premiere, you're a  
Christmas present too  
'Cause every day is a holiday since the day that I found  
you
