Jack & Jill went up the hill to fetch a pail of water
Jill turned 'round & broke Jacks crown
Oh that's a boogie woogie with a farmers daughter
He shouldn't oughta, not with a daughter
Of the farmer that supplies the water
He came a tumblin' down the hill,
He came a tumblin' down the hill
And Jill just roared with laughter
And then she stumbled as people will
And came a tumblin' down the hill
Yes, Jill came a tumblin' after

Jack & Jill don't climb the hill no more in search of water
Jill goes alone & Jack stays home
Because he boogie woogied with the farmers daughter
It seemed so silly 'cause Jack & Jilly
Don't climb the hill together like they really oughta

Jack & Jill don't climb the hill no more
In search of water
Jill goes alone & Jack stays home
Because he boogie woogied with the farmers daughter
It's silly, Jack & Jilly don't climb the hill no more
