Moppin' up soda pop rickeys  
To our heart's delight  
Dancin' to swingeroo quickies  
Jukebox Saturday night

Goodman and Kyser and Miller  
Help to make things bright  
Mixin? hot licks with vanilla  
Jukebox Saturday night

They put nothin? past us  
Me and honey lamb  
Making one Coke last us  
Till it's time to scram

Money, we really don't need bad  
We make out alright  
Lettin? the other guy feed that  
Jukebox Saturday night

After sippin? a soda, we got a scheme  
Somebody else plays the record machine

It's so easy to say pet names  
When you listen to the trumpet of Harry James

We love to hear that tenor croon  
Whenever the Ink Spots sing a tune

If I didn't know why the roses grow  
Then I wouldn't know why the roses grow

Now listen, honey child  
If I didn't know, all them little things I'm supposed to  
know  
Then I sure would be a sad man

If I didn't know

Money, we really don't need it  
We'll make out alright  
Lettin? the other guy feed that

Jukebox Saturday night
