"Moonlight Becomes You"

(Johnny Burke/James Van Heusen)
(vocals: Skip Nelson & the Modernaires)

Moonlight becomes you, it goes with your hair
You certainly know the right things to wear
Moonlight becomes you, I'm thrilled at the sight
And I could get so romantic tonight

You're all dressed up to go dreaming
Now don't tell me I'm wrong
And what a night to go dreaming
Mind if I tag along?

If I say, "I love you" I want you to know
It's not just because there's moonlight, although
Moonlight becomes you so
