There's a bright golden haze in the meadow  
There's a bright golden haze in the meadow  
The corn is as high as an elephant's eye  
And it looks like it's climbing clear up to the sky

Well, I say, oh, what a beautiful mornin', yeah  
Yes, what a wonderful day  
I've got a beautiful feelin', feelin'  
Everything's, everything's goin' my way

Whoa, the cattle are standing like statues  
The cattle are standing like statues  
They don't turn their heads as they see me ride by  
But a little brown maverick is winkin' her eye, she said

Oh, what a beautiful morning, yeah  
Well, what a wonderful day  
I want ya'll to know, oh now, I've got a beautiful feelin'  
I've got everything, everything's goin' my way  
Everything's goin' my way, my way

Whoa, the sounds of the earth are like music  
The sounds of the earth are like music  
The breeze is as busy, it don't miss a tree  
And a little ol' weepin' willow is laughin' at me, she said

Oh, what a beautiful morning  
Yes, what a wonderful day  
Y'all, I got a beautiful feelin'  
I got everything, I got everything  
I got everything, everything's goin' my way  
I'm sorry but I got everything's goin' my way, my way

Oh, baby, oh, baby  
I wanna thank you little girl for such a wonderful day  
I got a beautiful feelin'  
Everything's goin' my way
