(Mercer/Whiting)

I'll remember this moment
I'll wrap this picture in a dream
Or silhouette it in the moonlight
How sweet you seemed
Through the long night of waiting
I'll hardly know that you are gone
For silhouetted in the moonlight
You'll linger on

Your actions, your expressions
Will fill my heart & thrill my heart
Every single moment we're apart
So I'll never be lonely
Oh there'll be shadows everywhere
For silhouetted in the moonlight
You'll be there
