Love story
IF this doesnt touch you,
You have
No
Heart.....

Daniel and Jasmine are sitting alone in
The park
One night....

Daniel: I guess we are the left overs
In
This
World

Jasmine: I think so... All of my
Friends
Have
Boyfriends and we are only the 2
Persons
Left in
This world without any special person
In
Our lives

Daniel: Yup I don't know what to do

Jasmine: I know! We'll play a game

Daniel: What game?

Jasmine: i'll be your girlfriend for
30 days
And you
Will be my boyfriend

Daniel: That's a great plan in fact i
Don't
Have
Anything to do for the following
Weeks...

DAY 1:

They watch their first movie and they
Both
Touched
In a romantic film

DAY 4:

They went to the beach and had a
Picnic...Daniel
And Jasmine had their quality time
Together

DAY 12:

Daniel invited Jasmine to a circus and
They rode
On
A Horror House...Jasmine was scared
And
She
Touched Daniel's hand but she touched
Someone
Else's hand and they both laughed...

DAY 15:

They saw a fortune teller down the road
And they
Asked for their future advice and the
Fortune teller
Said: "My darlings, Please don't waste
The
Time of
Your life... spend the rest of your
Time
Together
Happily" Then tears flow out from the
Teller's eyes

DAY 20:

Jasmine invited Daniel to go to the
Hill
And they
Saw a meteor...Jasmine mumbled
Something

DAY 28:

They sat on the bus and because of a
Bumby road
Jasmine gave her first kiss to Daniel
By
Accident

DAY 29:

11:37pm

Jasmine and Daniel sat in the park
Where
They
First
Decided to play this game...

Daniel: I'm tired Jasmine...Do you want
Any
Drinks? I'll buy you one.. I'll just
Go down
The road

Jasmine: Apple Juice that's all

Daniel: Wait for me....

20mins later... a stranger approached
Jasmine

Stranger: Are you a friend of Daniel?

Jasmine: Why yes? What happened?

Stranger: A reckless drunken driver ran
Over
Daniel
And he is critical in the hospital

11:57pm

The doctor went out of the emergency
Room and
He
Handed out an apple juice and a letter

Doctor: We found this in daniel's
Pocket

Jasmine reads the letter and it says:

Jasmine, This past few days, i realized

You are a
Really cute girl and i am really
Falling for
You..Your
Cherished.... smile you were everything
When we
Played this game..... Before this game
Would
End...I would like you to be my
Girlfriend
For the
Rest of my life.... I love you
Jasmine....

Jasmine crumples the paper and shouted:

"Daniel ! i don't want you to die... I
Love
You...Remember that night when we saw
A meteor,
I mumbled something... I mumbled that I
Wish we
Would be together forever and never end
This
Game.
Please don't leave me Daniel.... I love
You! You
Cannot do this to me!"

Then the clock strikes 12

Daniel's heart stop pumping

THEN IT WAS THE 30TH DAY.....

Always love your loved ones and show
Them how
You feel before it is too late... You
Will
Never know
When they will be gone from your
Embrace... If you
Were given a time to bestow petals of
Everlasting
Compassion and love to your loved
Ones..
Today is
The day.... Love them while they are
Still
Here...
