(vocals: Tex Beneke and Dorothy Claire)

Life, Look, Pic, Peek always print a beautiful cast
And another thing they love
Is a certain photograph
You take the Time, Tide, Newsweek, ev'ry editorial
staff
Over a beer they agree
The man of the year
Is the air-minded executive
Who dearly loves to fly
He was an up to date go-getter
His lady friend was even better
She went along to take a letter
Just to be nearby

The air-minded executive
Will take off on the sly
He was a most romantic fella
And all the things he used to tell her
About the role of his propeller
Somewhere in the sky

Foggy or fair,
Gotta be there
Lightin' a flare at the airport
Fillin' the tanks
Callin' the banks
Tellin' them, "Hold up the contract!"
Contact!

Airminded executive became a wealthy guy
And so he wed his secretary
They settled down in Waterbury
And they commute by stratos-ferry
My, they love to fly
Even as you and I

TB:
(whistle)

DC:

Hi, Texecutive, whattaya say?

TB:

Ah man, I just flew in from the Milky Way

DC:

Well, how's the missus, Tex, can you stay a spell?

TB:

Ah, sure is nice to see you all, oh, well

Foggy or fair, gotta be there

Meetin' a square at the airport

Gotta arrive

Happy new jive

Maybe I'll get me a contract

Contact!

My, we love to fly!

Even as you and I

My!
