(Jimmy Campbell, Will Grosz, Hunter)

The day we meet again  
Though it may not be tomorrow  
We will soon forget our sorrow  
On the day we meet again

Life will be sweet again  
We'll be wondering why we parted  
We'll be back to where we started  
On the day we meet again

While there's a star to shine  
My heart has told you  
No other arms but mine  
Will ever hold you

The day we meet again  
All our troubles will be ended  
When two broken hearts are mended  
On the day we meet again
