Hello there Texas what you say  
I'd like to bend your ear if you're going my way  
Okay Glenn what's worrying you  
Tell me the story & I'll see what I can do  
Well, I got a new gal that's a real killer diller  
But I'm not so sure that she goes with Mr. Miller  
Hm, that's nothing to worry about  
Man don't you know how to go about finding out  
No, you tell me, Texas

If there's a gleam in her eye  
Each time she straightens your tie  
You'll know the lady's in love with you;  
If she can dress for a date  
Without that waitin' you hate,  
It means the lady's in love with you.  
And when your friends ask you over to join their table,  
But she begs a far-away booth for two,  
Well, sir, here's just how it stands:  
You've got romance on your hands,  
Because the lady's in love with you
