King of all days
we live to bring you praise
be exalted, you're the only one for me

Lord of the earth
our lives you are worth
be exalted, you're the only one for me

Breaking away from our fears
we are liberated
Eh!
living like there's no tomorrow
in your freedom
alive

Prince of all peace
we live for you in purity
be exalted, you're the only one for me

Breaking away from our fears
we are liberated
Eh!
living like there's no tomorrow
in your freedom
I've become alive

Breaking away from our fears
we are liberated
Eh!
living like there's no tomorrow
in your freedom
I've become alive (alive)

There is no other way (there is no other way)
there is no other grace
that can save me
(x3)

Breaking away from our fears
we are liberated
Eh!
living like there's no tomorrow

in your freedom

Breaking away from our fears

we are liberated

Eh!

living like there's no tomorrow

in your freedom

I've become alive (alive)
