And we will find our way there  
Live like delicates  
Before we go, you'll know  
The spotlight lives in all of us.

[Chorus:]

(And it's the oh, oh)  
And we'll set the stage  
And walk away to find what's taken (what's taken! )

(And it's the oh, oh)  
And we'll set the stage  
And walk away to find you, oh  
(And it's the oh, oh)  
And we'll set the stage  
And walk away to find what's taken...  
Ooh-ee-ah, oh... no, no

You watch the way I'm talkin'  
And I'll watch the way you're walkin'  
I got the lines that'll be in you tonight

So take a listen while we glisten in the summer weather  
We got the wine, we just shake shake, make it better  
Don't you! (make it better)  
Want to! (make it better)  
Don't you want to wear my diamonds! (make it better)  
(We'll make it better)

Don't stop, don't stop, don't stop 'til you get on top  
And the beat won't stop till I... (ah ah ah ah! )

[Chorus:]

(And it's the oh, oh)  
And we'll set the stage  
And walk away to find what's taken (what's taken! )

(And it's the oh, oh)  
And we'll set the stage  
And walk away to find you, oh  
(And it's the oh, oh)

And we'll set the stage  
And walk away to find what's taken...

Come on! (Make it better)  
Let's do it! (Make it better)  
You know that this won't last forever! (Make it better)  
(We'll make it better)

You can make it better...  
Ugh!... Ugh!

[Chorus:]  
(And it's the oh, oh)  
And we'll set the stage  
And walk away to find what's taken (what's taken! )

(And it's the oh, oh)  
And we'll set the stage  
And walk away to find you, oh  
(And it's the oh, oh)  
And we'll set the stage  
And walk away to find what's taken...

Are you listening, oh to everything that we... have said?  
Are you listening, oh to everything... that we will all say?
