She's a lady you'll remember  
Wrapped in mystery and style  
She's just one of love's pretenders  
On her heart you can't rely  
When she's dressed to kill, have you the strength of  
will, to turn away  
Don't you hunger boy, for she's no toy, or soon you'll  
pay...  
Sarah, Sarah, my misfortune never looked so sweet  
Just like Jonah, You bring me stormy seas with your  
deceit.  
Now her charm just overwhelms me  
Is my heart already sold!  
I think of what my father told me  
All that glitters is not gold  
I'm in a cold, cold sweat and the more I fret, my fever  
will rise  
It's a 'No Go Slow', I must leave this show before I'm  
her prize.  
Sarah, Sarah, my misfortune never looked so sweet  
Just like Jonah, you bring me stormy seas with your  
deceit.  
You know I should be wise, I've seen through her  
disguise  
She'll bring me stormy seas just like Jonah  
You know I'm hooked on dreams, on all that may have  
been  
She'll bring me stormy seas, just like Jonah.  
Sarah, Sarah, my misfortune never looked so sweet  
Just like Jonah, you bring me stormy seas with your  
deceit.  
Jonah, Jonah, just like Jonah  
Jonah, Jonah, just like Jonah.  
Jonah tried to sail away,  
Ah, ah, Jonah  
Catch that boat to a brighter day, remember Jonah  
Don't mock the Lord, don't take his word in vain  
For Sarah, judgement day will come again.  
Jonah rode those stormy seas, ah, ah, Jonah  
For the Lord above he would not please, remember  
Jonah.  
Jonah was swallowed by the whale, ah, ah, Jonah

He was soon to pray when he knew he'd failed.
