"Hit And Run"

Excuse me can I lift you up and take you there
I set the mood right when I light it up (light it up)
Had me from the first hit
Never felt this high before (oh oh oh oh)
So why don't we take it back
To my place at atlanta state (oh oh oh oh)
(I don't wanna hit and run)

And no red lights down the ride of night
(Tell me that you're ready cause I don't wanna hit and
run)
The mode is right, make you come alive
(Tell me that you're ready cause I don't wanna hit and
run)
They see you drop the love, don't want no hit and run
(Tell me that you're ready cause I don't wanna hit and
run)
