You're the peace that i need
the truth that i seek
my hope is in you
i live for you

Desire of my heart

So i wake up wake up
shout for joy
in your presence
the place i am with all that you are
all of my hopes and all of my dreams
i can reach within me, is you

You're the peace in the storm
the calm in the clouds
my hope is in you
i live for you

Desire of my heart

So i wake up wake up
shout for joy
in your presence
the place i am with all that you are
all of my hopes and all of my dreams
i can reach within me, is you

True love is everlasting
You're truth it always stands
the light that's shining brightly
my life is in your hands

my hope is in you
i live for you

Desire of my heart

So i wake up wake up
shout for joy
in your presence
the place i am with all that you are

all of my hopes and all of my dreams
i can reach within me, is you
(x2)

is you!
