See the stone set in her eyes  
See the thorn twist in your side.  
And I wait for you.  
Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait? without you

With or without you  
With or without you.

Through the storm, we reach the shore  
You gave it all but I want more  
And I'm waiting for you?

With or without you  
With or without you.  
I can't live with or without you.

And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away.

My hands are tied, my body bruised  
She got me with nothing left to win  
And nothing left to lose.

And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away.

With or without you  
With or without you  
I can't live  
With or without you.

With or without you  
With or without you  
I can't live  
With or without you

With or without you
