When I fear, I believe  
When I'm safe, I turn away  
Just who do I deceive  
As I change from day to day?

Like sand through my fingers  
I watch you slip away  
Like those dreams you try to hold  
They leave when you are away

Oh, won't you come back?  
Oh, won't you come back?

Given time, will I see?  
Will I ever know your face?  
And when I think I'm almost there  
I only find an empty space

Like sand through my fingers  
I watch it slip away  
Like those dreams you try to hold  
They leave when you are away

Oh, won't you come back?  
Oh, won't you come back?  
Oh, won't you come back?  
Oh, won't you come back?

Given time, will I see?  
Given time, will I know?

Won't you come back?  
Won't you come back?  
Won't you come back?

Won't you come back?  
Won't you come back?  
Won't you come back?

Won't you come back?  
Won't you come back?  
Won't you come back?
