The pacifist won't last
His view means nothing
Take off your safety catch
Earn your blood money
Shoot first don't hesitate
If they lie, you lose, too late
No monument to grace
You as you leave this place
No-don't-be-fooled by
All-those-codes-you've lived by
The mercenary will act
The suckers stand and take it
Initiate attack
Or one time you'll never make it
Always assume the worst
You fight or bite the dirt
Who needs a good excuse
Just stick it where it hurts
Dog-eat dog
Don't-forget it

Or-you'll live-to-regret it
Kill or be killed
Live or die
Kill or be killed
Don't think twice
I ride the wall of death
I've never fallen yet
No need to risk my neck
Just second guess
With every step
So-don't-be fooled by
All-those-codes-you've lived by
Kill or be killed
Live or die
Kill or be killed
Don't think twice
Kill or be killed
Live or die
Kill or be killed
Take my advice
