Swish, smack! Whip, crack!
Smash, grab! Pinch, nab!
You go, my lad!
Ho, ho! My lad!

The black crack! The back crack!
The black crack! The back crack!
Down down to Goblin-town
Down down to Goblin-town
Down down to Goblin-town
You go, my lad!
Ho, ho! My lad!

Goblins quaff, and Goblins beat
Goblins laugh, and Goblins bleat
Batter, jabber, whip and hammer, hooo!
Yo go, my lad!
Ho, ho my lad!

Below, my lad!
Ho, ho! My lad!

The black crack! The back crack!
The black crack! The back crack!
Down down to Goblin-town
Down down to Goblin-town
Down down to Goblin-town
You go, my lad!
Ho, ho! My lad!
