Baby I know we got troubles  
Cause these ain't easy times  
Seems this whole world's gone crazy  
But there ain't no decryin'

It's gonna be fine  
(It's gonna be fine)  
It's gonna be fine  
(It's gonna be fine)  
It's gonna be fine

Hey don't you let it get you down now  
Hate takes a long time dyin'  
But there's a new sun risin'  
And when we see it shine

It's gonna be fine  
(It's gonna be fine)  
Just a matter of time  
(It's gonna be fine)  
And it's gonna be fine

A people road's a long hard road to climb  
But don't despair, cause gal I swear  
We're gonna get there  
If we keep on tryin'

And it's gonna be fine  
(It's gonna be fine)  
It's just a matter of time  
(It's gonna be fine)  
It's gonna be fine

{short music interlude}

(It's gonna be fine)

Hey don't you let it get you down now  
Hate takes a long time dyin'  
But there's a new sun risin'  
And when we see it shine

It's gonna be fine  
(It's gonna be fine)  
It's just a matter of time  
(It's gonna be fine)  
And it's gonna be fine  
(It's gonna be fine)

It's gonna be fine  
(It's gonna be fine)  
Oh yes, It's gonna be fine  
(It's gonna be fine)  
It's just a matter of time

{fade}  
It's gonna be fine  
(Until it's gonna be fine)
